Such amendment or revision must be completed within thirty (30) days of the date of notice in writing of such requirement being received by the Lessee and the development plan as amended or revised must be re-submitted to the Minister for approval.

26.05 No approval or failure to approve by the Minister of the development plan will be construed as an assumption of responsibility in any way by the Minister for the development plan or any work completed in accordance with the development plan.

26.06 Upon receipt of the Minister's approval of all aspects of the development plan the Lessee will promptly carry out such work as provided in the development plan and of which the Minister approved. Once the Lessee has commenced the work it will proceed with all due diligence to completion.

26.07 Without limiting the generality of the foregoing, the Lessee will develop the Premises in accordance with the development plan as approved and the provisions of Article 28.00.

26.08 Upon completion of each stage of construction of an improvement on the lands, lots or part thereof, commencing with the construction of foundations and including the lockup stage, the rough completion stage and the final completion stage, the Lessee will provide the Minister with a certificate prepared by an engineer licensed to practice as an engineer in British Columbia, certifying that the work has been completed in accordance with the standards set forth in Article 28.00 herein.

26.09 If the Lessee fails to complete the development of the Premises in accordance with the development plan, the Minister may, on 30 days written notice to the Lessee, terminate the lease with respect to that portion of the Premises where on the development plan has not been carried through to completion without any apportionment or rebate of the rent paid, and everything herein contained and the estate or term with respect to that portion of the Premises will absolutely cease, determine and be void without reentry, or any other act or any suit or legal proceedings to be brought or taken, provided the Minister will nevertheless be entitled to recover from the Lessee the rent then accrued or accruing, and moreover that any right of action by Her Majesty against the Lessee in respect of any antecedent breach of any of the covenants, provisions, stipulations or conditions contained in this lease will not be thereby prejudiced.

27.00 Repair of Premises

27.01.1 Subject to sub-section 27.02 the Lessee will at all times during the term at its expense, repair, renew and maintain all improvements which it either occupies for its own use or sub-leases pursuant to a month to month tenancy in a good and tenantable condition in every respect as would a careful owner and occupier excepting reasonable wear and tear only as is not inconsistent with the foregoing.

27.01.2 Without limiting section 27.01.1, the maintenance of the electrical, heating, ventilating, air conditioner, water and sewer systems will include all inspections, cleaning, oiling and adjustments and all replacements of bulbs, ballasts and filters.

27.01.3 Without limiting section 27.01.1, the maintenance of any and all lawns and gardens constituting part of the premises will include all cutting, pruning, cultivating, weeding, fertilizing and watering in order to keep the lawns and gardens in a neat, tidy and healthy condition.

27.01.4 The rent will not abate whether the damaged improvements are rendered partially or wholly unfit for the purpose of the Lease.

27.02 With respect to improvements constructed on the lands, lots or any part thereof which are sub-leased by the Lessee to purchasers whereby the term of the lease is in excess of one (1) month, the Lessee shall set out as a provision of such sub-leases that the sub-lessees will substantially repair, renew and maintain all improvements in a good and tenantable condition and in every respect as would a careful owner and occupation excepting reasonable wear and tear only as is not in consistent with the foregoing.

27.03 The Lessee will complete all repair and renewal under this Article in accordance with the provisions of article 28.00.

27.04 Whenever repair or renewal pursuant to this Article requires substantial altering, removing, adding to or replacing or making substitution for the premises, the lessee will not undertake the work without having received the written consent of the Minister, which consent will not be unreasonably withheld.

28.00 Construction Requirements

28.01 Without limiting Article 16.00, all construction and other work on the premises will be carried out and completed to a standard and quality at least as high as those of any improvements which are being repaired, restored, renewed, replaced or substituted and in accordance with the standards set out in Schedule "A" to this lease, as those standards may be amended or replaced from time to time. If there is a conflict among any of the standards in Schedule "A" or if they cover the same subject matter then the highest standard will apply and if any standard is inapplicable for any reason the remaining standards will continue to apply in full force and effect.

28.02.1 Whenever construction or other work under this lease requires the Minister's consent, the Minister may as a prerequisite to deciding whether or not to consent require that the lessee provide him with complete and detailed plans and specifications of the work, including all documents as will enable the Minister to determine conveniently whether the work will comply with the provisions of this Article.

28.02.2 Unless and to the extent the Minister otherwise agrees in writing all such plans and specifications shall be prepared by a professional architect or engineer licensed to practice as an architect or engineer in British Columbia.

28.02.3 If the Minister requires plans and specifications pursuant to section 28.02.1 then the Lessee will carry out only such work as provided in the plans and specifications and to which the Minister has consented. 29.02 The Minister from time to time at all times during the Term may have any sign at the Premises examined, and the Lessee will repair, strengthen, or remove the sign upon notice from the Ministry, and if the Lessee fails to comply with the notice to repair or strengthen the sign, the Minister may, but will not be obligated to, repair or strengthen the sign or remove the sign and the costs, charges, and expenses of doing so will be forthwith paid by the Lessee as additional rent.

29.03 The giving of notice or the undertaking or repairs, strengthening or removal of any sign by the Minister under this article will not be deemed an acknowledgement or admission of any liability or responsibility on the part of her Majesty.

29.94 No consent by the Minister to any sign will be construed as an assumption of responsibility in any way by the Minister for that sign.

30.00 Liability Insurance

30.01 The Lessee will forthwith effect and maintain at its expense with one or more companies satisfactory to the Minister, comprehensive general liability insurance (the "Liability Insurance") in the joint names of the Lessee and Her Majesty against claims for personal injury, death or property damage or loss occurring at or about the premises.

30.02 The liability insurance will provide protection to the limit of not less than Two Million Dollars (\$2,000,000.00) in respect of any one occurrence or to such other reasonable limit as the Minister may notify the Lessee in writing from time to time. If the Lessee disagrees with the Minister's determination of a reasonable limit it may at its own expense within sixty (60) days after the notice refer the matter to the Federal Court of Canada under section 19 of the Federal Court Act for a new determination of a reasonable limit. Until the Court makes a new determination, the Lessee will insure to the limit provided in the Minister's notice.

insuring those improvements which are occupied by the sub-lessee against loss or damage by fire and other perils under customary supplementary coverage.

31.03.1 The property insurance aforesaid will insure all improvements for one hundred percent (100%) of their full replacement cost.

31.03.2 Notwithstanding the foregoing, if an insurance policy required under this lease contains a co-insurance provision then the lessee will at all times maintain sufficient insurance to prevent Her Majesty and the Lessee from being co-insurers.

32.00 Insurance Provisions

32.01 Every insurance policy required under this lease will to the extent that it is obtainable contain an agreement by the insurer that it will not cancel or substantially alter the policy without first giving each of the insureds at least thirty (30) days prior written notice.

32.02 The liability insurance will contain a provision for cross liability between Her Majesty and the lessee and the property insurance will contain a waiver of subrogation so that the insurance will protect Her Majesty and the Lessee as if they were fully insured under separate policies.

33.00 Insurance Validation

33.01 The Lessee will not do, permit or suffer anything to be done at the premises which might cause any policy of insurance required by this lease to be invalidated or cancelled, and the Lessee will either comply forthwith with every notice in writing from the Minister or any insurer requiring the execution of works or discontinuance of any use of the premises in order to avoid invalidation or cancellation of any insurance or will pay an increased premium to obtain the appropriate insurance to cover any activity which initially resulted in the policy of insurance being invalidated or cancelled.

33.02 The Lessee releases Her Majesty from all liability for loss or damage caused by any of the perils against which it has covered to insure, even though the loss or damage may arise out of the negligence of Her Majesty, Her Official, employee or agent.

33.03 The Lessee will deliver certificates of the insurers evidencing every policy of insurance that is required by this lease to the Minister immediately after the Insurance is effected and will deliver a certificate of renewal or other evidence satisfactory to the Minister that the insurance has been renewed or replaced to the Minister at least ten (10) days before the expiry of any policy of insurance in force.

33.04 The Lessee will, upon written request from the Minister, deliver a certified copy of every insurance policy requested by the Minister.

34.02 Notwithstanding section 34.01, the Lessee's covenant to indemnify and save harmless will not apply to any claim, demand, loss, cost, damage, action, suit or other proceeding to the extent that same is occasioned or contributed to by either the negligence or wilful act or omission of Her Majesty, Her officials, employees or agents or as a result of the breach of any term or provision of this lease by Her Majesty, Her officials, employees or agents.

35.02 The Lessee may in its discretion determine whether or not to restore and repair the damaged improvements PROVIDED that it notifies the Minister of its decision in that regard within sixty (60) days of the damage or destruction occurring and PROVIDED further that notice to the Minister of the Lessee's decision not to restore or repair will not be considered valid or effective unless it includes the written consent of all mortgagees to whose mortgages the Minister has consented.

35.03.1 If the Lessee determines to restore or repair the damaged improvements or if it fails to give the Minister notice as provided in section 35.02 then it will provide the Minister with complete and detailed plans and specifications of the proposed restoration or repair together with an estimate of the full cost of the restoration or repair and will restore or repair the damaged improvements to the same as or better condition than that which existed immediately prior to the damage or destruction without allowance for deterioration and will carry out the work with diligence and dispatch. Without limiting the generality of the foregoing, the Lessee will at its expense complete all restoration and repair in accordance with the provisions of Article 28.

35.03.2 The plans and specifications and the cost estimate referred to in section 35.03.1 will be prepared and signed by an architect or engineer licensed to practise in British Columbia.

35.03.3 Without limiting the foregoing, the Lessee will at its expense complete all restoration and repair in accordance with the provisions of Article 28.00.

35.04 If the Lessee notifies the Minister pursuant to sub-section 35.02 that it has determined not to restore or repair the Damaged Improvements, then:

- (a) except as otherwise expressly provided in this Lease, this Lease will cease,

determine and be void from the date the Minister is notified pursuant to section 35.02 of the Lessee's determination not to restore and repair the Damaged Improvements, and the Minister may re-enter the Premises and possess and enjoy them as if this Lease had not been made;

35.05 The rent will not abate whether the damaged improvements are rendered partly or wholly unfit for the purpose of the lease.

PROVIDED that Her Majesty will be entitled to recover from the Lessee the rent then accrued or accruing up to the date the Minister is notified pursuant to sub-section 35.02 of the Lessee's determination not to restore and repair the Damaged Improvements, and enforce any right of action against the Lessee in respect of any antecedent breach of any of the Lessee's covenants, including a right of action under Article 35.

36.00 Insurance Proceeds

36.01 If the Lessee has determined to restore or repair or has failed to give notice as provided in section 35.02 and if the Minister has consented in writing to the payment of insurance proceeds to the Lessee then the proceeds shall be paid to the Lessee in trust to apply to the costs of restoration or repair of the premises. The cost of the repairs or restoration shall be borne by the Lessee whether or not it exceeds the insurance proceeds.

36.01.1 If the Lessee has determined to restore or repair or has failed to give notice as provided in section 35.02 and if the Minister has required in writing that insurance proceeds to be paid to a trustee then the proceeds shall be paid to the trustee, appointed by the Minister, to hold on behalf of Her Majesty, the Lessee and any leasehold mortgagees to whose mortgages the Minister has consented and to be applied in accordance with the provisions of this Article. The Lessee will do all things necessary or convenient to facilitate this payment.
